## Custom Screen Wall Blocks

Often called pattern blocks or breeze blocks, screen wall blocks are commonly used by architects, landscape designers and renovators as an attractive, easy to install and very long lasting solution that adds value to any project, indoor and outdoor. Besser Block Centre can help design and then manufacture a unique screen wall block that will make that special area that much more special.

### Examples:

*These are not available to order but are examples of architects commissioned designs*

### Setup Cost:

For the creation of the manufacturing dye      \$7,500.00 + GST

### Manufacturing Cost:

Costs per block will vary depending on the size and composition of the block, as well as, the quantity of blocks ordered.

*Prices valid at October 2016  
and are subject to change.*
